Celebrating its 22rd year in Colorado Springs and keeping with its mission, "promoting the use of herbs and herbal education in the community", the Pikes Peak Herb Association will host its 5th, annual Herb Fest, "Herbal Thymes" along with our gracious sponsors listed below.

Join us and browse through the "marketplace" with more than 34 booths displaying handcrafted items, herbalists, herbal skin care items & therapies, healing practitioners, aromatherapy, herbal books, herb plants, herbal products, food, music, and much more.

The show will include hourly speakers and hands on demonstrations from herbal experts. Perhaps you might even purchase a few herb plants for your own herb garden after learning about xeriscaping with herbs. While you shop for crafts and gifts at a variety of *booths*, you can *touch, smell and taste some herbs, then relax, sit back, with a nice cup of tea.*

***Free Hourly presentations and lectures by local specialists...
please bring those canned goods!***

There will also be a Silent Auction with wonderful items starting at really great prices, including body work, garden supplies, autographed books, nutritional products, and Mother's Day baskets filled with goodies. A portion of proceeds will be donated to affiliate non-profit groups and to raise seed money for next years Herb Fest.

Fun, fun, fun!

3:35 Silent Auction closes-get your bids in!

You do not need to be present to win, we will call you if you're the winner!

**Our goal is to raise 500 pounds of food for the Silver Key, senior food pantry,
please help us by bringing bags or boxes of food...Thank You**
